RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Dear Sir:

This Response is responsive to the Notice of Non-Compliant Amendment mailed on March 18, 2005. The Notice of Non-Compliant Amendment indicates that Applicants' Amendment filed on August 25, 2004 (mailed on August 23, 2004) is non-compliant for failure to include markings showing the changes made to the Abstract.

As required by the Notice of Non-Compliant Amendment, attached is a corrected "Amendment to the Specification" section of Applicants' August 25, 2004 Amendment, which now includes markings showing the changes made to the Abstract. Please substitute the attached corrected "Amendment to the Specification" section in place of the non-compliant "Amendment to the Specification" section in Applicants' August 25, 2004 Amendment.

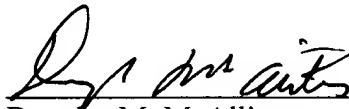

The Examiner is respectfully requested to enter Applicants' August 25, 2004 Amendment with the attached corrected "Amendment to the Specification" section, reconsider this application, allow each of the presently pending claims, and to pass this application on to an early
